MEDICAL TRIP A PHENOMENAL SUCCESS!

Dr. Jenna Fine, Sela Fine (her sister), Linda Thomas (her aunt) and Kristen Rients (no relation!) did an unbelievable job this last week at the clinic. They examined and treated 200 children and 300 adults!!!! We offered free service and medication to the village and they turned out in droves. We could have had three teams and then we could have treated all of them.

Many of the people were seniors and do you know what they needed ... just good chiropractic. If my chiropractors are reading this, heads up! I will need you next March ... you can make such a difference in these people's lives.

I am writing this at Mweya Lodge in Uganda while the medical team takes a ride down the Kazinga Channel where they will see elephants, Nile Crocodiles, birds, and millions of Hippos. This morning they saw a Male lion, lioness and four cubs! :) Plus of course, elephants, wart hogs, cape buffalo, Ugandan Kob, water bucks and so much more!

OK ... time to announce the Summer Trip. The dates are June 18-30 and for \$3,500 you get all of the following:

Airfare, all hotel accommodations including meals, car and driver, three day safari ... ask anyone and they will tell you that is an UNBELIEVABLE price.

I will need to know no later than May 1, 2015 if you intend to make this trip.
